- Iodine in Pregnancy and the Post-Partum Period
- Cumulative Impact in Environmental, Policy, and System Changes to Improve Nutrition
- Policy and Environmental Changes for Lactation
- Environmental Exposures, Nutrition, and Fetal Development
- Generational Differences in the Workplace

Special Event: Bridges out of Poverty: Strategies for Professionals and Communities

Jodie Pfarr of Aha! Process Inc. will be presenting a special one day skill-building workshop, Bridges out of Poverty: Strategies for Professionals and Communities. This workshop will take place on June 24.

The Bridges Out of Poverty workshop provides both the social service provider and the community member key lessons in dealing with individuals from poverty. Topics include increasing awareness of the differences in economic cultures and how those differences affect opportunities for success.

This workshop is designed for audiences of employers, community organizations, law enforcement, counselors, health care and social service providers.

Distance Learning Opportunities

Distance education options are available for certain sessions. Up to 16 CEUs are available for distance viewers. The distance education program will be available from August 16 through October 18. [Register](#) for distance learning.

Additional information about the program, along with registration materials, can be found on the [web site](#).
